

Wireless Speaker Stereo and Speakerphone

B - Tube

The B-Tube is a revolutionary portable stereo speaker which allows you to stream your music wirelessly from most music devices. The integrated microphones enable you to make and receive phone calls from any Bluetooth mobile phone. With a built-in Li-ion battery for up to 8 hours playtime, soft touch controls, carrying case and desk stand, this really is the “must-have” travel companion for 2009.
